

Building A Strong Foundation For Your EMS Future

Marshfield and Quincy Campus Application for Admission EMT Basic Program

Dear Student:

EMS Academy Instructors have been teaching EMT and Paramedic Courses since 1993. Our Training Center Headquarters is located in Quincy MA with additional training sites in Marshfield and Boston College. Our EMT Program is one of the best all inclusive educational programs available with state-of-the-art teaching materials, comfortable classroom surroundings and a dedicated staff of exceptional Instructors.

Our Instructors have had great success as revealed in our high pass rates, nearly 100% pass rate, both within our program curriculum and when tested by the state. Our instructors come from some of the busiest 911 EMS systems and hospitals in the state with 26 years of experience in hospital-based EMS, private ambulance industry, third party ambulance services and fire-based service. They will teach not only the core curriculum, but they will also be able to bring their street knowledge, skills and experiences to the classroom and out in the field with our field extrication day.

Enclosed is your application package as requested. Please review all documents and return them to us with your deposit as soon as possible. Seats are filled on a first come first serve basis in the order in which we receive the applications/deposit and not in the order in which they were requested. Once a Course is full, it is then closed.

If you are undecided as to why you should choose EMS Academy, here are a few important reasons why:

- This is an all inclusive program with no hidden costs.
 - Textbook included
 - Student Access on Website includes lectures, study guides, practice quizzes, and practice exams
 - We include American Heart Association CPR for the Healthcare Provider Course with course completion card
- Students will have the ability to ride as a member of a third party ambulance while in class
- Students will have the ability to observe as an EMT in a hospital emergency department
- EMS Academy is an Accredited Training Agency through the DPH OEMS
- Our pass rate when taking the state certification exam is one of the highest in Massachusetts, nearly 100%
- The only things not included are things we cannot control which are the NREMT Cognitive Exam fee \$70 payable to Pearson-Vue and the NREMT Psychomotor Exam fee \$100 payable to EMS Academy. Once you have your NREMT Certification you may pay the Commonwealth of Massachusetts for your MA EMT Certification.

Come be part of an all inclusive exceptional EMT Program and Build A Strong Foundation For Your EMS career Future!

Professionally,

Lori Joyce, Director
